## Rehearsal Schedule Conflicts

Vocal rehearsals will begin the week of October 11. Blocking and Choreography rehearsals could be scheduled for Sunday, Monday, Tuesday, Wednesday or Thursdays starting November 1. The rehearsal outline calendar is on the Rockway calendar. Take a look. Although you will not be needed at every rehearsal during the first few months, there is still a huge time commitment to this show! It is very important that you review all the dates with your family (and employer if applicable) to ensure you can commit to this schedule.

In order to get you thinking about the time commitment, please take a few minutes to think about sport teams (fall and especially winter Rockway teams), music lessons, dance classes, work conflicts etc that might conflict with your participation in **The Wizard of Oz**.
